ABILITIES

FACTION: **Dark Pacts**

Corrupt Machine Spirits: Once per turn, at the start of your opponent's Shooting phase, select one enemy **VEHICLE** unit within 12" of and visible to one or more models from your army with this ability. That unit must take a Leadership test: if that test is passed, until the end of the phase, each time a model in that unit makes an attack, subtract 1 from the Hit roll; if that test is failed, that unit is not eligible to shoot this phase.

Spirit Thief: At the start of your Shooting phase, select one enemy **VEHICLE** unit within 12" of this model. Until the end of the phase, each time a friendly **HERETIC ASTARTES** model makes an attack that targets that unit, re-roll a Wound roll of 1.

INVULNERABLE SAVE

LORD DISCORDANT ON HELSTALKER

Technocrats and spirit-thieves, Lords Discordant hunt the foe's war engines. Atop daemoniac Helstalkers, these heretics cut through enemy infantry before lunging at their quarry with saw-toothed polearms. Each mount tears its mechanical prey open as the Lord Discordant siphons off the victim's spirit to reinvigorate other Daemon Engines.
