

CHAOS DAEMONS

ARMY RULE

When daemons pour into realspace, maelstroms of warp energy spill through in their wake. Manifest emotion and unbridled, nightmarish forces twist all that they touch, reshaping the landscape into bizarre forms while tormenting mortal beings to madness. To be embroiled in such tempests is to endure conditions utterly anathema to the fundamental laws of reality, provoking primal terror in even the most emotionless warriors.

THE SHADOW OF CHAOS

If your Army Faction is **LEGIONES DAEMONICA**, certain areas of the battlefield are considered to be within your army's Shadow of Chaos, as follows:

- Your deployment zone is always within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within No Man's Land, until the end of that phase, No Man's Land is within your army's Shadow of Chaos.
- At the start of any phase, if you control at least half of the objective markers within your opponent's deployment zone, until the end of that phase, your opponent's deployment zone is within your army's Shadow of Chaos.

DAEMONIC MANIFESTATION

While a **LEGIONES DAEMONICA** unit from your army is within your army's Shadow of Chaos, each time that unit takes a Battle-shock test, add 1 to that test and, if that test is passed, one model in that unit regains up to D3 lost wounds (if that unit is a **BATTLELINE** unit and that test is passed, up to D3 destroyed models can be returned to that unit instead).

DAEMONIC TERROR

While an enemy unit is within your army's Shadow of Chaos, each time that unit takes a Battle-shock test, subtract 1 from that test and, if that test is failed, that enemy unit suffers D3 mortal wounds.

DAEMONIC PACT

When the mortal servants of the Dark Gods march to war, the most favoured may find daemonic entities accompanying them.

If every model from your army has the **CHAOS** keyword, you can include **LEGIONES DAEMONICA** units in your army, even if they do not have the Faction keyword you selected in the Select Army Faction step. The combined points cost of such units you can include depends on your battle size, as shown below.

- | | |
|----------------|---------------|
| ■ Incursion | Up to 250 pts |
| ■ Strike Force | Up to 500 pts |
| ■ Onslaught | Up to 750 pts |

None of these models can be your **WARLORD**, and they cannot be given Enhancements. In addition:

- If your Army Faction is **WORLD EATERS**, you can only include **KHORNE LEGIONES DAEMONICA** units using these rules.
- If your Army Faction is **THOUSAND SONS**, you can only include **TZEENTCH LEGIONES DAEMONICA** units using these rules.
- If your Army Faction is **DEATH GUARD**, you can only include **NURGLE LEGIONES DAEMONICA** units using these rules.
- If your **WARLORD** is **LUCIUS THE ETERNAL**, you can only include **SLAANESH LEGIONES DAEMONICA** units using these rules.

CHAOS DAEMONS – DAEMONIC INCURSION

DETACHMENT RULES

If your Army Faction is **LEGIONES DAEMONICA**, you can use this Daemonic Incursion Detachment rule.

WARP RIFTS

Daemonic legions tear through the fabric of realspace, malevolent entities flickering into being like phantasms from a nightmare. Worse still, as terror and panic take hold of their victims, so their mortal souls become ever easier prey for the entities pouring through from the warp.

Each time a **LEGIONES DAEMONICA** unit from your army is set up on the battlefield using the Deep Strike ability, if it is set up wholly within your army's Shadow of Chaos, it can be set up anywhere that is more than 6" horizontally away from all enemy models, instead of more than 9".

CHAOS DAEMONS – DAEMONIC INCURSION

STRATAGEMS

If you are using the Daemonic Incursion Detachment rule, you can use these Daemonic Incursion Stratagems.

CORRUPT REALSPACE

DAEMONIC INCURSION – STRATEGIC PLOY STRATAGEM

Daemons instinctively feel the need to despoil and corrupt every corner of realspace, the better to sustain their otherworldly forms.

WHEN: Start of any Command phase.

TARGET: One **LEGIONES DAEMONICA** unit from your army that is within range of an objective marker you control.

EFFECT: That objective marker is said to be Corrupted and remains under your control, even if you have no models within range of it, until your opponent controls it at the start or end of any turn. In addition, while an objective marker is Corrupted and under your control, the area of the battlefield within 6" of that objective marker is considered to be within your army's Shadow of Chaos.

WARP SURGE

DAEMONIC INCURSION – STRATEGIC PLOY STRATAGEM

The winds of the warp blow strong, invigorating daemonkind and lending them supernatural speed and ferocity.

WHEN: Your Charge phase.

TARGET: One **LEGIONES DAEMONICA** unit from your army that is within your army's Shadow of Chaos.

EFFECT: Until the end of the phase, your unit is eligible to declare a charge even if it Advanced this turn.

DRAUGHT OF TERROR

DAEMONIC INCURSION – BATTLE TACTIC STRATAGEM

The swelling fear of their mortal prey serves as an intoxicating elixir to the daemonic followers, each draught invigorating their forms with deadly power.

WHEN: Your Shooting phase or the Fight phase.

TARGET: One **LEGIONES DAEMONICA** unit from your army that has not been selected to shoot or fight this phase.

EFFECT: Until the end of the phase, improve the Armour Penetration characteristic of weapons equipped by models in that unit by 1. In addition, until the end of the phase, each time such a weapon targets a unit that is Battle-shocked, you can re-roll the Wound roll.

DENIZENS OF THE WARP

DAEMONIC INCURSION – STRATEGIC PLOY STRATAGEM

Ever lurking in the warp, daemons will wait until the barriers between realms thin before tearing their way into realspace.

WHEN: Your Movement phase.

TARGET: One **LEGIONES DAEMONICA** unit from your army that is arriving using the Deep Strike ability this phase.

EFFECT: Your unit can be set up anywhere on the battlefield that is more than 3" horizontally away from all enemy models.

RESTRICTIONS: A unit targeted by this Stratagem is not eligible to declare a charge in the same turn.

CHAOS DAEMONS – DAEMONIC INCURSION

STRATAGEMS

If you are using the Daemonic Incursion Detachment rule, you can use these Daemonic Incursion Stratagems.

THE REALM OF CHAOS

DAEMONIC INCURSION – BATTLE TACTIC STRATAGEM

When the energies of the warp bleed into realspace, the Legiones Daemonica can rip open portals in seeming thin-air, returning to their hellscape only to rematerialise amidst their foes a heartbeat later.

WHEN: End of your opponent's turn.

TARGET: Up to two **LEGIONES DAEMONICA** units from your army that are within your army's Shadow of Chaos, or one other **LEGIONES DAEMONICA** unit from your army.

EFFECT: Remove the targeted units from the battlefield and place them into Strategic Reserves. They will arrive back on the battlefield in the Reinforcements step of your next Movement phase using the Deep Strike ability.

RESTRICTIONS: You cannot target units that are within Engagement Range of one or more enemy units with this Stratagem.

1CP

DAEMONIC INVULNERABILITY

DAEMONIC INCURSION – BATTLE TACTIC STRATAGEM

Daemons are madness given form. Their very bodies are fashioned from the stuff of the warp, and are difficult to destroy through conventional means.

WHEN: Your opponent's Shooting phase, just after an enemy unit has selected its targets.

TARGET: One **LEGIONES DAEMONICA** unit from your army that was selected as the target of one or more of that enemy unit's attacks.

EFFECT: Until the end of the phase, each time an invulnerable saving throw is made for a model in your unit, re-roll a saving throw of 1.

1CP

CHAOS DAEMONS – DAEMONIC INCURSION

ENHANCEMENTS

If you are using the Daemonic Incursion Detachment rule, you can use these Daemonic Incursion Enhancements.

A'RGATH, THE KING OF BLADES

When a daemon is bound within a weapon by its infernal master, it rarely submits willingly to this terrible incarceration. The same cannot be said for A'rgath. A lifetime of slaughter and zealous dedication saw this butcher granted daemonhood. Such was his devotion to Khorne that instead of accepting immortality as a Daemon Prince, he instead chose to take the form of a deadly blade so that he could spill the lifeblood of Khorne's greatest enemies. Their hand guided by A'rgath's spirit, this weapon's wielder becomes nigh on unstoppable. Countless are the rival champions and mortal heroes that have fallen to his power.

KHORNE LEGIONES DAEMONICA model only. Add 1 to the Attacks and Strength characteristics of the bearer's melee weapons. While the bearer is within your army's Shadow of Chaos, add 2 to the Attacks and Strength characteristics of the bearer's melee weapons instead.

THE EVERSTAVE

This staff blazes with vibrant warpflame. As soon as its master takes up the eldritch weapon, they too are wreathed in the same daemonic fire. From within this magenta inferno, the Everstave's daemonic bearer hurls searing goutts of Tzeentch's pink fire, turning armour to ash and immolating or irrevocably mutating the flesh beneath.

TZEENTCH LEGIONES DAEMONICA model only. Add 1 to the Strength characteristic of the bearer's ranged weapons and increase the Range characteristic of such weapons by 3". While the bearer is within your army's Shadow of Chaos, add 2 to the Strength characteristic of the bearer's ranged weapons and increase the Range characteristic of such weapons by 6" instead.

THE ENDLESS GIFT

Only the most accomplished plague daemons are granted the Endless Gift. A disease of unutterable malignancy and repulsive beneficence, it changes form constantly from plague to infestation to malaise. The one constant is its ability to reknit its sufferer's corporeal form from even the most catastrophic of wounds. One moment, infernal bacteria may multiply like wildfire until their gelid mass fills a fleshy rent with fresh daemon-flesh. The next, pestilential vapours may billow from the daemon's yawning maw, veiling its ravaged bulk before tattering away to reveal a form healed of its recent hurts.

NURGLE LEGIONES DAEMONICA model only. The bearer has the Feel No Pain 5+ ability. While the bearer is within your army's Shadow of Chaos, the bearer has the Feel No Pain 4+ ability instead.

SOULSTEALER

This gluttonous blade gulps down the souls of its victims before invigorating the corporeal form of its wielder. Its greed stems from the starving Keeper of Secrets bound within – an arrogant entity that sought to devour enough Aeldari souls to challenge Slaanesh itself. As punishment for the daemon's monstrous hubris, Slaanesh trapped it within Soulstealer, condemning the Keeper of Secrets to sustain other daemons with its frenzied appetite while retaining nothing for itself.

SLAANESH LEGIONES DAEMONICA model only. Each time the bearer destroys an enemy model with a melee attack, roll one D6, adding 1 to the result if the bearer is within your army's Shadow of Chaos. On a 4+, the bearer regains 1 lost wound.
