Redeemer of the Lost: While this model is leading a unit, each time a model in that unit is destroyed by a melee attack, if that model has not fought this phase, roll one D6. On a 4+, do not remove it from play; that destroyed model can fight after the attacking model's unit has finished making its attacks, and is then removed from play.

Mass of Doom: Once per battle, when this model's unit makes a Charge move, this model can use this ability. When it does, until the end of the turn, melee weapons equipped by models in that unit have the [DEVASTATING WOUNDS] ability.
