ABILITIES

CORE: **Deadly Demise D6+2**

FACTION: **Strands of Fate**

D-rift: In your Shooting phase, just after selecting a target for this model's D-impaler, roll one D6 for the target unit and every other unit within 3" of that unit: on a 5+, the unit being rolled for is struck by a D-rift. After this model has finished making its attacks against that target unit this phase, each unit struck by a D-rift this phase suffers D3 mortal wounds.

DAMAGED: 1-8 WOUNDS REMAINING

While this model has 1-8 wounds remaining, subtract 4 from its Objective Control characteristic and each time this model makes an attack, subtract 1 from the Hit roll.

COBRA

Cobras are huge skimmer tanks whose elegant hulls are dominated by a D-impaler – an enormous energy weapon against which not even powerful force fields are a reliable defence. So dangerous is this weapon that when a Cobra's defence systems fail, a catastrophic D-rift will sometimes tear through reality, devouring the vehicle and any unfortunates nearby.
