

LEAGUES OF VOTANN

ARMY RULE

The Kin are a highly practical people in every area of life, not least in war. Their leaders make swift and careful calculations before and during battle, constantly striving to determine if the potential reward of conflict is worth the inevitable loss of resources and precious Kin lives. An essential part of this is what is known as casting the Eye of the Ancestors, through which Kin commanders assess the greatest enemy threats, mark weak points in their defences and determine what forces are needed to overcome both.

EYE OF THE ANCESTORS

If your Army Faction is **LEAGUES OF VOTANN**, each time an enemy unit destroys a **LEAGUES OF VOTANN** unit from your army, that enemy unit gains 1 Judgement token. An enemy unit can never have more than 2 Judgement tokens (any further Judgement tokens a unit would gain beyond this are ignored).

Each time a model from your army with this ability makes an attack that targets a unit that has one or more Judgement tokens, until that model's attacks have been resolved, apply the relevant bonus from the table below to that attack.

JUDGEMENT TOKENS	BONUS
1	Eminent Threat: Add 1 to the Hit roll.
2	Now We've Got a Grudge to Settle: Add 1 to the Hit roll and add 1 to the Wound roll.

Designer's Note: If a unit with Judgement tokens is removed from the battlefield, make a note of how many Judgement tokens it had when it was removed. If that unit is set up on the battlefield again, place the corresponding number of Judgement tokens next to it. If a unit with Judgement tokens splits up into two or more smaller units, each of those units gains a number of Judgement tokens equal to that of the original unit. If two units combine to form a single larger unit and either of those units had Judgement tokens, make a note of how many the unit with the most has, just before they combine – the new unit has a number of Judgement tokens equal to this.

LEAGUES OF VOTANN – OATHBAND

DETACHMENT RULE

If your Army Faction is **LEAGUES OF VOTANN**, you can use this Oathband Detachment rule.

RUTHLESS EFFICIENCY

The Kin of an Oathband are skilled warriors and ruthless expansionists, instinctively working together to defeat their foes and efficiently achieve their aims. As with everything, they approach war with a grim, methodical pragmatism that is an inspiration to other Kin.

At the start of the battle, select one unit from your opponent's army. That unit starts the battle with 2 Judgement tokens (see Eye of the Ancestors).

If, at the start of any of your Command phases, that enemy unit is destroyed, you gain a number of CP depending on how early in the battle you destroyed it, as shown below (you can only gain CP in this way once per battle, and CP gained in this way are an exemption to the Core Rules that limit the maximum number of CP you can gain per battle round to 1).

Unit destroyed by the start of your first or second Command phase:

You gain

3CP

Unit destroyed by the start of your third or fourth Command phase:

You gain

2CP

Unit destroyed by the start of your fifth Command phase:

You gain

1CP

LEAGUES OF VOTANN – OATHBAND STRATAGEMS

If you are using the Oathband Detachment rule, you can use these Oathband Stratagems.

WARRIOR PRIDE

OATHBAND – BATTLE TACTIC STRATAGEM

The warriors of the Leagues of Votann pride themselves on their martial skill and proficiency in combat, and when the Ancestors are watching their actions they can quickly overwhelm and pick apart their foes.

WHEN: Fight phase.

TARGET: One **LEAGUES OF VOTANN** unit from your army, and one enemy unit that has one or more Judgement tokens and is within Engagement Range of that **LEAGUES OF VOTANN** unit.

EFFECT: Until the end of the phase, each time a model in your unit makes a melee attack that targets that enemy unit, improve the Armour Penetration characteristic of that attack by 1 for each Judgement token that enemy unit has.

ORDERED RETREAT

OATHBAND – STRATEGIC PLOY STRATAGEM

Not for the Kin the sudden panic of the rout. Instead, they fall back steadily and by squads, laying down furious suppressing fire before launching fresh assaults.

WHEN: Your Movement phase, just after a **LEAGUES OF VOTANN** unit from your army Falls Back.

TARGET: That **LEAGUES OF VOTANN** unit.

EFFECT: Until the end of the turn, your unit is eligible to shoot and declare a charge.

ANCESTRAL SENTENCE

OATHBAND – BATTLE TACTIC STRATAGEM

Some foes are so loathed that the Ancestors themselves are said to pass sentence upon them, marking them for death.

WHEN: Your Shooting phase.

TARGET: One **LEAGUES OF VOTANN** unit from your army.

EFFECT: Until the end of the phase, each time a model in your unit makes a ranged attack, that attack has the [SUSTAINED HITS 1] ability, and each time a model in your unit makes a ranged attack that targets a unit that has one or more Judgement tokens, that attack has the [SUSTAINED HITS 2] ability instead.

REACTIVE REPRISAL

OATHBAND – BATTLE TACTIC STRATAGEM

Once an enemy target has been marked out by the Eye of the Ancestors, the Kin focus their efforts upon its destruction, redoubling their fury should it attempt to engage.

WHEN: Your opponent's Shooting phase, just after an enemy unit that has one or more Judgement tokens has resolved its attacks.

TARGET: One **LEAGUES OF VOTANN** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Your **LEAGUES OF VOTANN** unit can shoot as if it were your Shooting phase, but it must target the enemy unit that just attacked it, and can only do so if that enemy unit is an eligible target.

LEAGUES OF VOTANN – OATHBAND STRATAGEMS

If you are using the Oathband Detachment rule, you can use these Oathband Stratagems.

NEWFOUND NEMESIS

OATHBAND – STRATEGIC PLOY STRATAGEM

To strike down Kin is to earn the immediate and murderous ire of all their warrior comrades.

WHEN: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has resolved its attacks.

TARGET: One **LEAGUES OF VOTANN INFANTRY** or **LEAGUES OF VOTANN MOUNTED** unit from your army that was reduced to Below Half-strength as a result of the attacking unit's attacks.

EFFECT: The attacking unit gains 1 Judgement token, or up to 2 Judgement tokens instead if that **LEAGUES OF VOTANN** unit contained your **WARLORD** when it was targeted by those attacks.

1CP

VOID ARMOUR

OATHBAND – WARGEAR STRATAGEM

Void armour comprises hardened, jointed segments hooked into the void suit beneath. It is fashioned from magnaferite weave, and often reinforced with adamantite and enhanced with microfield generators.

WHEN: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

TARGET: One **LEAGUES OF VOTANN** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Until the end of the phase, each time an attack targets your **LEAGUES OF VOTANN** unit, worsen the Armour Penetration characteristic of that attack by 1.

1CP

LEAGUES OF VOTANN – OATHBAND ENHANCEMENTS

If you are using the Oathband Detachment rule, you can use these Oathband Enhancements.

APPRAISING GLARE

Few Kin can cast the Eye of the Ancestors with the swiftness and grim efficiency of this venerable leader. Where their merciless gaze falls, the strengths and weaknesses of the enemy are laid bare, and there their warriors strike hardest.

LEAGUES OF VOTANN model only. In your Command phase, you can select one objective marker your opponent controls. Until the end of the phase, while an enemy unit is within range of that objective marker, it counts as having one more Judgement token than it actually has (to a maximum of 2).

A LONG LIST

This warrior holds the majority of the galaxy's races in contempt, and seeks out their many nemeses with a keen and inescapable eye. No sooner have they settled a Grudge against one foe, than they move to the next name on their list.

LEAGUES OF VOTANN model only. Each time the bearer's unit destroys an enemy unit, if that enemy unit has one or more Judgement tokens, you can select one other enemy unit that is visible to the bearer. That other unit gains one Judgement token.

GRIM DEMEANOUR

This warlord's grim countenance is legendary, and they are rumoured to have never smiled. Such a demeanour is, of course, an outward sign of how seriously they undertake their solemn tasks, and under their stern gaze no Kin will be found wanting.

LEAGUES OF VOTANN model only. You can re-roll Battle-shock tests taken for the bearer's unit, and models in that unit can ignore any or all modifiers to their characteristics and/or to any rolls or tests made for them (excluding modifiers to saving throws).

WAYFARER'S GRACE

This one-of-a-kind void suit was crafted for the famed Hernkyn adventurer Sîmmka Farstryd as thanks for her saving the Hold world of Hyvôk's Kindred. Incorporating ancient technological secrets interpreted from Votannic lore, Wayfarer's Grace acts as a life-support system for its wearer. Monitoring their vital statistics constantly, the suit provides medical support and can even restart its wearer's stopped heart in extremis.

LEAGUES OF VOTANN model only. The first time the bearer is destroyed, after placing a Judgement token next to the unit that destroyed it, roll one D6 at the end of the phase. On a 2+, set the bearer back up on the battlefield as close as possible to where it was destroyed and not within Engagement Range of any enemy units, with its full wounds remaining.
