ABILITIES

FACTION: Waaagh!

Pyromaniaks: Each time a model in this unit makes a ranged attack with a burna that targets an enemy unit within 6", re-roll a Wound roll of 1. If the target of that attack is also within range of an objective marker, you can re-roll the Wound roll instead.

BURNA BOYZ

The burna is a cutting torch intended for slicing up battlefield wreckage. Serendipitously, it also works well when searing through an enemy's armour at close quarters, or, with a twist of its nozzle, can instead belch a tongue of roaring flame over the foe. Needless to say, the most pyromaniacally inclined Orks delight in doing both.
