ABILITIES

CORE: Deadly Demise D3, Firing Deck 11

FACTION: Waaagh!

Ramshackle Cover: Each time a ranged attack is allocated to a model, if that model is not fully visible to every model in the attacking unit because of this **FORTIFICATION**, that model has the Benefit of Cover against that attack.

Shoutin' Pole (Aura): While a friendly **ORKS** unit is within 6" of this **FORTIFICATION**, improve the Leadership characteristic of models in that unit by 1.

Fortification: While an enemy unit is only within Engagement Range of one or more **FORTIFICATIONS** from your army:

- That unit can still be selected as the target of ranged attacks, but each time such an attack is made, unless it is made with a Pistol, subtract 1 from the Hit roll.
- Models in that unit do not need to take Desperate Escape tests due to Falling Back while Battle-shocked, except for those that will move over enemy models when doing so.
