ABILITIES

CORE: **Deadly Demise 1**

FACTION: **Synapse**

Blistering Assault: Each time an enemy unit is selected to shoot, after that unit has shot, if any models from this unit lost one or more wounds as a result of those attacks, this unit can make a Blistering Assault move. To do so, roll one D6, adding 2 to the result: each model in this unit can be moved a distance in inches up to the result, but this unit must finish that move as close as possible to the closest enemy unit. When doing so, those models can be moved within Engagement Range of that enemy unit. Each unit can only make one Blistering Assault move per phase.
