TYRANNOFEX

The Tyrannofex is a walking battle tank and heavy weapons platform of huge size and resilience. These warrior organisms are extremely well armoured, more than capable of going toe-to-toe with the heaviest battle tanks of their prey species in a shooting match. Few foes can stand against even one of these beasts.

WARGEAR OPTIONS

- This model's fleshborer hive can be replaced with one of the following:
 - 1 acid spray
 - 1 rupture cannon
